

MODULE I

BONE and SOFT TISSUE AUGMENTATION posterior mandible

SPEAKER: Algirdas Puišys, D.D.S. Spec in periodontology, PhD

REGISTRATION: email: Kristi@medgrupe.ee / Kaili@medgrupe.ee

PRICE: 1600 Eur/ 2 days

DATE: 9 – 10 January, 2020

LANGUAGE: english

VENUE: Vilnius implantology center

MEDGRUPĒ

MODULE I.
POSTERIOR MANDIBLE. BONE AND SOFT TISSUE AUGMENTATION

————— *2-day theoretical and practical course* —————

WE WILL TALK ABOUT:

- // *Anatomy of defects.*
- // *Immediate, flapless and regular implant placement in mandible.*
- // *Materials for bone augmentation.*
- // *Guided bone regeneration (GBR) in posterior mandible.*
- // *Vertical bone augmentation.*
- // *Keratinized and attached gingiva around implants.*

OUR KNOWLEDGE, SKILLS AND ALSO LESSONS WE HAVE LEARNED, AND OUR
SUCCESS – IT IS OUR EXPERIENCE WE ARE WILLING TO SHARE WITH YOU.

AGENDA

————— *2-day theoretical and practical course* —————

————— *1ST DAY* —————

09:00 – 09:30 *Implants in posterior mandible*
09:30– 10:30 *Immediate, flapless, regular implant placement*
—————
10:30 – 11:00 *Coffe break*
—————
11:00 – 12:30 *Guided bone regeneration (GBR)*
—————
12:30 – 13:30 *Lunch*
—————
13:30 – 14:30 *Guided bone regeneration (GBR) – **HANDS ON***
14:30 – 17:00 *Practice on pig jaw – **HANDS ON***
—————
18:00 – 20:00 *dinner*

————— *2ND DAY* —————

09:00 – 10:30 *Vertical bone augmentation*
—————
10:30 – 11:00 *Coffee break*
—————
11:00 – 11:30 *Vertical bone augmentation - **HANDS ON***
11:30 – 12:30 *Practice on pig jaw– **HANDS ON***
—————
12:30 – 13:30 *Lunch*
—————
13:30 – 14:00 *Attached gingiva - does we need it?*
14:00 – 15:00 *Creation of attached gingiva – **HANDS ON***
—————
15:00 – 15:30 *Coffee break*
—————
15:30 – 17:00 *Practice on pig jaw– **HANDS ON***
