

Dr Ian Buckle

Dentist / Reconstructive, Aesthetic & Implant Dentistry Specialist

Professional Profile

Qualified from the University of Liverpool in 1985, Dr Ian Buckle has over 30 years of experience in both private and NHS practice. He is recognised for delivering high-quality reconstructive, aesthetic and implant dentistry while contributing extensively to dental education.

Clinical Practice

Through Buckle Advanced Dental Care in Thornton Hough on the Wirral, Ian provides some of the UK's highest quality reconstructive, aesthetic and implant dentistry. Approximately two-thirds of his time is dedicated to patient care.

Education & Teaching

Ian designs and teaches hands-on courses for dentistry's core curriculum. He regularly hosts seminars and study clubs across Europe and is a prolific international speaker on functional and aesthetic dentistry. The remainder of his time is devoted to education to maintain leadership in both clinical and academic practice.
