ABOUT ME

Dr. Christian Leonhardt is a passionate dentist, dental-practice owner with a wealth of experience spanning various specialized areas in dentistry. His extensive training and dedication to the field have established him as a recognized professional in the dental community.
Dr. Leonhardt's journey in dentistry has been marked by a commitment to excellence and a continuous pursuit of knowledge. He holds various certifications and designations, including Treatment Planning from the KOIS Center in Seattle, USA, where he also serves as a mentor. His Prosthodontics expertise has been honed to a specialist level, and he is recognized as an Esthetic Specialist by the DGÄZ (German Society for Esthetic Dentistry). Additionally, Dr. Leonhardt's proficiency extends to Orthodontics, Endodontics, and Perio-Specialization (Master-Curriculum Hürzeler Zuhr), making him a well-rounded dental practitioner.
Dr. Leonhardt has been invited as an international speaker and presenter for numerous dental companies, sharing his knowledge and insights with colleagues worldwide. He is affiliated with the European Academy of Esthetic Dentistry (EAED), has been a Table Clinic Presenter at the American Academy of Restorative Dentistry (AARD) and gave different lectures at the past Kois-Symposiums.
His practice

In his dental practice, Dr. Leonhardt leads a team of three associates, specializing in Functional and Esthetic Rehabilitation, Microscopic Dentistry, Endodontics, Tooth Preservation, Trauma Management, Periodontics, Orthodontics, and the innovative Dental Lifetime Concept. His commitment to advancing dental education led to the establishment of the online learning platform, "WeDental," facilitating the professional growth of dental practitioners.

Dr. Leonhardt's dedication to advancing dental knowledge extends even further as he is the founder and owner of the future Dental Continuing Education Academy, "The Protocol." This initiative aims to provide cutting-edge education and training to dental professionals, ensuring they stay at the forefront of the industry.
With a remarkable blend of expertise, innovation, and leadership, Dr. Christian Leonhardt is a prominent figure in the dental field, driving forward the standards of excellence and shaping the future of dentistry. His contributions to education and patient care make him a true luminary in the world of dentistry.

He shares his private life with his wife and three wonderful boys, making him a loving husband and father. Family plays a significant role in his life, providing him with the inspiration and support he needs to achieve his professional and personal goals.
Furthermore, Dr. Leonhardt is the founder of the "Unterwegs gegen Krebs e.V." association, which advocates for supporting children's cancer hospices. His commitment to this important cause demonstrates his compassion and his desire to help others during challenging times.
He also organizes the "Gemeinsam Leben Schenken" (Giving Life Together) initiative, conducting stem cell typing campaigns to provide a chance for people suffering from leukemia or other blood-related diseases to find a cure. His dedication to this life-saving initiative showcases his social responsibility and commitment to society.
Another impressive project initiated by Dr. Leonhardt is the "RunWithViktor" campaign, where a world record in long-distance running was achieved to raise funds for cancer research. This initiative reflects his determination to mobilize resources for cancer research in innovative ways and inspire people to get involved in this important cause.
Overall, Dr. Christian Leonhardt is not only an expert in dentistry but also a loving family man and a social entrepreneur passionately dedicated to charitable causes and supporting people in need. His remarkable professional achievements and social engagement make him an inspiring individual.
