

COURSE PROGRAM

DAY 1

Registration

9:30 - 10:30. Acquaintance. Theoretical part

Instruments. Incision, suturing

10:30 – 11:00. Practical part

Incision, suturing

11:00 - 11:30. Coffee break

11:30 – 13:00. Theory + practice

Periosteal releasing, split flap, flap releasing, palatal incision, bone tissue management

13:00 – 14:00. Lunch

14:00 – 15:30. Theory + practice

Atraumatic tooth extraction. Socket preservation

15:30 - 16:00. Coffee break

16:00 – 17:30. Theory + practice

Wisdom tooth extraction

17:30 – 18:00. Summery

Summing up, certificate awarding

DAY 2

10:00 – 10:30. Theory

Ergonomics. Instrument and equipment for implantation

10:30 – 11:00. Practice. Classic implantation on the phantom. Guided implant surgery

11:00 - 11:30. Coffee break

11:30 – 13:00. Theory + practice. Guided implant surgery

13:00 – 14:00. Lunch

14:00 – 15:30. Theory + practice. Immediate implantation

15:30 - 16:00. Coffee break

16:00 – 17:30. Theory + practice

Bone grafting during implantation

17:30 – 18:00. Summery.

Summing up, certificate awarding

COURSE

“IMPLANTATION IN DENTISTRY”

course lecturer:

Roman Gudyma

15-16 December
