

Dear **colleague**

We have the pleasure to invite you to „Conference 32 – 5th Annual Nordic Interdisciplinary Dentistry Conference“ on January 24-25, 2020 in Tallinn, Estonia.

The conference, dedicated to the future perspectives and developments of dentistry from interdisciplinary point of view, will bring together specialists from various fields of dentistry from across Europe to exchange experience and develop cooperation.

We are proud to present two outstanding headliners in Tallinn:

Prof. Dr. Giovanni E. Salvi, Switzerland
“Risks, diagnosis and management of peri-implant diseases”

Prof. Dr. Hugo de Bruyn, Belgium
“Peri-implantitis. What do we know and what can we do.”

Dr. Anthony Atlan, France
“Biomimetic, Minimally invasive and Digital: Why these trends in modern dentistry?”

Early registration fee 490 EUR per person applies until September 30, 2019.
Dentistry students and residents are eligible for 50% discount fee.
Registration fee is inclusive of VAT (20%).

Please visit the conference official website for more information and registration:
